HEY, WHAT IS THIS "CLASSICAL MAGIC" YOU JUST MENTIONED?
IS IT DIFFERENT THAN WHAT YOU'RE USING NOW?
YEAH, MY SUPER OLD GRANDPA ONLY KNOWS HOW TO USE CLASSICAL MAGIC
ANYWAYS, HE USED CLASSICAL MAGIC TO DEFEAT THE PAST DEMON KING,
BUT MY PARENTS WERE SACRIFICED IN THE WAR
BUT IT'S NOT HIS FAULT, BECAUSE MODERN MAGIC ONLY APPEARED WHEN WE MOVED TO THE MOUNTAINS

SO...

SFX: PUNCH
So I have to use modern magic to defeat this Demon King! I won't let him triumph!
And I'll do it without sacrificing a single person!
My skin.
SO... AM I A DOG THEN, SINCE I'VE BEEN SACRIFICED?
DAI HONG?

S-SO BASICALLY THE CURRENT DEMON KING IS THAT GIRL WHO ATTACKED US LAST TIME?
CRAP SHE ALMOST REMINDS ME OF RAN RAN WHEN SHE WAS LITTLE...
HUH?
WHAT'S WRONG WITH YOUR VISION, DAI HONG?
He's definitely a transvestite pervert!
WHEN WE WENT TO HIS CASTLE, HE LOOKED LIKE

What? So he's actually a guy?
Go die, lolicon!

Well, I've already died plenty of times!
But seriously, I'm not a lolicon.
I prefer busty girls like Ran Ran!
Quit dreaming!
RAN RAN'S NOT...

WHAT DO I SAY NOW...?
CRAP, I SHOULDN'T HAVE MENTIONED RAN RAN...
...SORRY.

THIS TIME IT WAS COMPLETELY MY FAULT FOR MA KING RAN RAN ANGRY
SO I'LL DO MY BEST HELP YOU RECOVER YOUR ORIGINAL BODY!
So until then feel free to take your anger out on me by hitting or scolding me!

HONEST-LY...
HOW COULD I LEAVE YOU ALONE AFTER SEEING SUCH A CUTE GIRL LIKE YOU BE SO DE-PRESSED?
YOU DON'T HAVE TO WOR-RY THAT MUCH ABOUT ME
EVER SINCE YOU CAME, EVERY DAY'S BEEN A LOT OF TROUBLE...
BUT I'VE HAD A LOT OF FUN

BESIDES, AFTER LOSING MY BODY, I CAN'T SEEM TO DIE AT ALL!
IT FEELS LIKE I'M IN-VINCIBLE!
DA! HONG...
SLAM
Don't pet a descendant's head like you would a dog's!

But what should I do? Ran Ran's been ignoring me these past couple of days
RAN RAN IS A VERY SMART PERSON. SHE'LL UNDERSTAND SOONER OR LATER
LET'S GO BACK AND THINK OF A PLAN
OKAY OKAY~
HMM?
I don't want to miss out on that MBK doll she promised me!
So that's what you were worried about!
Well, she also said she'd lend me the MBK DVD
And also a strap for my mobile terminal and...
...I totally regret being worried for you!
